What are the biggest concerns for companies these days wasted to the security companies they hire?

They include security officers:

- ✔ Sleeping while on duty
- ✔ Sitting around, instead of executing his or her assigned duty
- ✔ Leaving the property or facility vacant

We have the solution to these problems!!

All our officers are fully equipped with a guard management software named TRACKFORCE.

This helps us keep a track on their movement and activities via GPS.

Benefits of the Technology: Trackforce.

- ✔ Improved productivity and reduced costs
- ✔ Incident Reporting
- ✔ Daily Activity Reporting
- ✔ Locate officers online any time
- ✔ Visitor Registration
- ✔ Records time and attendance data for officers
- ✔ Inspections & Quality assurance

Why Choose WORLD PROTECTION SERVICES?

- ✔ Fully equipped with latest technology which ensures reliability.
- ✔ Customer centric security officers
- ✔ High quality security services at competitive rates.
- ✔ Customized security services to suit your needs
- ✔ High security means low risks and hence low insurance rates
- ✔ Increased efficiency at organizational level with our security assurance
- ✔ Save your cost on additional man power.
